

## POSITION DESCRIPTION

<b>Job Title</b>	<b>1.0 FTE Coalition Readiness and Response Coordinator</b>
<b>Reports To</b>	MHREF HPP Director
<b>Job Purpose</b>	<p>This position will serve as the planning coordinator and plan developer for the Regional Healthcare Coalition of Central Montana. Duties will include coordinating the development of preparedness and response planning needs and engaging key stakeholders on the planning process with the goal of an effective and coordinated response among the healthcare system partners. Key stakeholders include hospitals and healthcare organizations, public health, Emergency Medical Services, emergency management and other relevant partners. Responsible for planning process including; identifying and assessing current plans, identifying planning gaps, developing plans, implementing plans, evaluating plans and plan improvements and revisions.</p> <p>Coordinator supports the continuous development of a comprehensive training, exercise, and performance improvement cycle that includes the area's participating HPP hospitals, EMS, public health, and emergency management partners.</p>

Listed below is an outline of the major duties and responsibilities that are required of the Coalition Readiness and Response Coordinator. Every effort has been made to make this position description as complete as possible. However, it in no way states or implies that these are the only duties that will be required to be performed.

### **Major Duties and Responsibilities:**

#### **Project Management and Execution (Plan Development)**

1. Ensure plans meet the Health and Human Services Assistant Secretary of Preparedness and Response requirements and the needs of key stakeholders as well as integrate with other healthcare and governmental agencies.
2. Work with other RHCC staff and DPHHS to develop training, implementation and performance of regional healthcare coalition disaster preparedness, response, and recovery effectiveness. Coordinate coalition members to help them create and implement effective training and exercises; lead after-action reviews, and assist with performance improvement plans (AAR/IP).
3. Develop and implement strategy to engage stakeholders across Central Montana, including stakeholder review and core member approval process as needed. Maintain effective contact lists for healthcare agencies within assigned region.

4. Work with other RHCCC staff and DPHHS programs to develop training, implementation and operationalization process for new plans and protocols.
5. Ensure vulnerable populations are involved in planning process and needs addressed.
6. Lead executive committee members of coalition meetings through plan briefings and updates in planning products and processes.
7. Conduct Hazard Vulnerability Assessment for the Regional Healthcare Coalition and assist members in writing HVA plans and processes.
8. Maintain records of purchases and activities. Comply with established procurement and compliance procedures, equipment inventory procedures. Provide records and reports to the HPP Director on a quarterly basis.
9. Maintain database and develop reports and related correspondence for all associated education, training, and exercise program records.
10. Provide training and assistance on implementation and use of the Juvare platform.
11. Attend regional LEPC meetings and brief on awareness of the coalition's purpose and composition of healthcare coalitions.
12. Coordinate and manage ASPR-funded regional grant program, including grantee support for proposal development, participating in committee to establish grant criteria, reviewing applications, and forwarding appropriate grant applications to the Executive Committee in each coalition for their final approval.
13. Attend and participate in regional meetings and national conferences as appropriate, including periodic gatherings of the Montana Emergency Preparedness Advisory Committee.
14. Research and respond to inquiries regarding Montana's hospital preparedness programs.
15. Assist DPHHS with periodic preparedness drills, table top exercises and other training opportunities as requested.

## **Outreach, Communication, Liaison**

16. Prepare and present program overviews in areas of responsibility to healthcare facility administrative staff, medical staff and/or boards as requested by facility administrators.
17. Maintain liaison and working relationship with DPHHS Hospital Emergency Preparedness Director, Public Health, DPHHS, EMS staff, and other key partners within the state and region.
18. Identify and develop new grant opportunities to support emergency preparedness within Montana Healthcare facilities.

## **Qualification Requirements**
