- **Hospitals:** Continue reporting to Juvare/EMResource as follows:

 - Weekly (every Friday): PPE
 - Following treatment of COVID-19 patient(s): COVID-19 patient data, as directed by public health officials

FINANCE & ADMINISTRATION

HHS data request due June 15 at 7 p.m. MT. HHS June 8 announced in an email that it is planning an additional distribution of funds to hospitals that have been particularly affected by the increased burden of caring for those with COVID-19. To inform how these funds are distributed, HHS is asking all hospitals to provide it with certain information by Monday, June 15 at 7 p.m. MT. This includes, for each facility with a Medicare Tax Identification Number, its total number of COVID-19 positive inpatient admissions from Jan. 1, 2020 through June 10, 2020. Hospitals must submit these data in order to be eligible for these payments, although doing so is not a guarantee of eligibility for any amount.
