## OPERATIONS

**FDA clarifies emergency authorization for Abbott point-of-care test.** The FDA last week [reissued](#) its EUA for the Abbott ID NOW COVID-19 test to indicate that the product is intended for specimens collected “from individuals who are suspected of COVID-19 by their healthcare provider within the first seven days of the onset of symptoms.” The revised EUA also clarifies that the test is authorized for emergency use by laboratories certified under the Clinical Laboratory Improvement Amendments that meet the requirements to perform high, moderate or waived complexity tests; and that U.S. testing facilities must report all results to the appropriate public health authorities.

**AHA launches COVID-19 vaccine webpage, digital resources.** The American Hospital Association has launched a new [webpage](#) that houses AHA-developed tools, as well as resources from the federal government and other stakeholders related to a COVID-19 vaccine.

## PLANNING

**New HHS data reporting platform - Single data entry fulfills state and federal requirements.** MHA has purchased a new HHS Data Reporting Platform with COVID-19 grant funding. This creates a single, secure data entry point to fulfill both state and federal requirements, including state PPE resource allocation and HHS Teletracking mandates. This new single-entry system is especially critical with CMS' new rules that require such reporting as a Condition of Participation for Medicare and Medicaid. Hospitals will face possible termination of Medicare and Medicaid payments if unable to correct reporting deficiencies. See the complete details on the new platform [here](#).

**As of September 8, 2020 hospitals should utilize EMResource for statewide bed availability, PPE and Remdisivir data, as well as, all TeleTracking data points, including HHS lab testing.** Upon entering HHS data into EMResource, Juvare will automatically upload data to TeleTracking on behalf of your facility daily. Facilities may continue entering their own data into TeleTracking if they choose. All laboratories conducting COVID-19 testing and reporting patient-specific results – including hospital labs, nursing homes, and other facilities conducting testing for COVID-19 – will be required to comply. If a laboratory does not report the required information, CMS will impose a civil monetary penalty in the amount of \$1,000 a day for the first day, and \$500 for each subsequent day.

**Long-Term Care facilities must transition all PPE and bed reporting to EMResources as of October 1, 2020.** The previous [weekly survey](#) hosted on Formstack will become inactive on October 1, 2020. Facilities that do not have access to EMResource should email contact information to [hppcoordinators@mtha.org](mailto:hppcoordinators@mtha.org).

For questions, please contact your [Regional Coordinator](#).

## LOGISTICS

**Submit PPE needs to DES coordinator in order to ensure allocation.** Until further notice, healthcare organizations MUST [submit needs to their local DES coordinator](#) in order to receive an allocation of emergency PPE.

## FINANCE AND ADMINISTRATION

**Fed updates FAQs for Main Street Lending Program.** The Federal Reserve Board Friday updated its [FAQs](#) on the Main Street Lending Program to clarify its expectations for nonprofit and other facilities regarding lender underwriting. The FAQs also include details regarding co-borrower loans.

## COMMUNICATIONS

**Call recordings and webinar playbacks.** Missed a call or webinar promoted in MHA's daily COVID-19 Call & Webinar Alert? Many are recorded, and are [posted here](#) once available.

**COVID-19 Resource Library.** MHA has built a [library](#) of helpful resources and sample material from other hospitals, healthcare organizations and states in their response to COVID-19.

**HHS hospital-specific COVID-19 questions:** [HospitalCOVID19@hhs.gov](mailto:HospitalCOVID19@hhs.gov)

**SITREP Archive.** Daily Situation Reports archived [here](#).

**State of Montana COVID-19 Hotline:** 1-888-333-0461

Montanans can also email questions to [covid19info@mt.gov](mailto:covid19info@mt.gov). State public health officials will be responding to inquiries from 8 a.m. to 5 p.m. Monday to Friday.

**MHA Incident Management Team:** [esf8@mtha.org](mailto:esf8@mtha.org)
