<b>SD</b>	<b>24,598</b>

## PLANNING

**New HHS data reporting platform - Single data entry fulfills state and federal requirements.** MHA has purchased a new HHS Data Reporting Platform with COVID-19 grant funding. This creates a single, secure data entry point to fulfill both state and federal requirements, including state PPE resource allocation and HHS Teletracking mandates. This new single-entry system is especially critical with CMS' new rules that require such reporting as a Condition of Participation for Medicare and Medicaid. Hospitals will face possible termination of Medicare and Medicaid payments if unable to correct reporting deficiencies. See the complete details on the new platform [here](#).

**As of September 8, 2020 hospitals should utilize EMResource for statewide bed availability, PPE and Remdisivir data, as well as, all TeleTracking data points, including HHS lab testing.** Upon entering HHS data into EMResource, Juvare will automatically upload data to TeleTracking on behalf of your facility daily. Facilities may continue entering their own data into TeleTracking if they choose. All laboratories conducting COVID-19 testing and reporting patient-specific results – including hospital labs, nursing homes, and other facilities conducting testing for COVID-19 – will be required to comply. If a laboratory does not report the required information, CMS will impose a civil monetary penalty in the amount of \$1,000 a day for the first day, and \$500 for each subsequent day.

**Long-Term Care facilities must transition all PPE and bed reporting to EMResources as of October 1, 2020.** The previous [weekly survey](#) hosted on Formstack will become inactive on October 1, 2020. Facilities that do not have access to EMResource should email contact information to [hppcoordinators@mtha.org](mailto:hppcoordinators@mtha.org).

For questions, please contact your [Regional Coordinator](#).

## LOGISTICS

**Submit PPE needs to DES coordinator in order to ensure allocation.** Until further notice, healthcare organizations MUST [submit needs to their local DES coordinator](#) in order to receive an allocation of emergency PPE.

## FINANCE AND ADMINISTRATION

**CMS releases physician fee schedule proposed rule for calendar year 2021; some pandemic-era policies continued.** The [proposed rule](#) continues some pandemic-era policies such as allowing physicians and non-physician practitioners to continue providing direct supervision via interactive telecommunications technology and permanently retaining some of the telehealth services added to the Medicare telehealth list of services during the public health emergency. Other proposed policies have been made more problematic by the ongoing COVID-19 pandemic according to the American Hospital Association.

“The proposed significant reduction to the Medicare conversion factor that is a result of CMS’ proposal to implement the evaluation & management (E/M) revaluation and other changes in a budget-neutral manner would significantly strain the finances of hospitals and health systems,” AHA [said](#) in a letter to CMS.

## COMMUNICATIONS

**AHA releases new resources for Wear A Mask, United Against the Flu campaigns.** AHA’s [Wear A Mask](#) and [United Against the Flu](#) campaigns have released [new resources](#), including sample social media messages geared toward different age groups and graphics and videos on the importance of masking up and getting a flu shot.

**Call recordings and webinar playbacks.** Missed a call or webinar promoted in MHA's daily COVID-19 Call & Webinar Alert? Many are recorded, and are [posted here](#) once available.

**COVID-19 Resource Library.** MHA has built a [library](#) of helpful resources and sample material from other hospitals, healthcare organizations and states in their response to COVID-19.

**HHS hospital-specific COVID-19 questions:** [HospitalCOVID19@hhs.gov](mailto:HospitalCOVID19@hhs.gov)

**SITREP Archive.** Daily Situation Reports archived [here](#).

**State of Montana COVID-19 Hotline: 1-888-333-0461**

Montanans can also email questions to [covid19info@mt.gov](mailto:covid19info@mt.gov). State public health officials will be responding to inquiries from 8 a.m. to 5 p.m. Monday to Friday.

**MHA Incident Management Team:** [esf8@mtha.org](mailto:esf8@mtha.org)
