STEPS

How MHA Ventures Chooses Endorsed Solutions

IDENTIFY NEED

MHA Ventures consults with hospital CEOs, MHA Executives, advisory groups, staff and others to identify the need for a particular product or service in the healthcare marketplace

CONDUCT RESEARCH

MHA Ventures develops criteria, seeks referrals from hospitals and information from others before routing RFI applications to potential candidates.

EVALUATE CANDIDATES

MHA Ventures evaluates business proposals, schedules demonstration meetings, evaluates company financials, marketing plans and customer referrals.

AWARD ENDORSEMENT

Once a company passes our rigorous selection process, MHA Ventures recommends and approves the endorsement seal, at which point contract negotiations begin.
